ABOUT US

AKFA ARABIA

AKFA ARABIA is one of the leading service provider in the petrochemical and Oil filed industries. The company has long experience in the Saudi Arabia's Oil and Gas sector. AKFA ARABIA is a service provider to leading EPC Contractors of Saudi Aramco, SABIC, Saudi Electricity, SWCC and other major Clients. AKFA ARABIA is managed by a team of professional managers having vast experience in the oil and gas, petrochemical sectors.

We have been successfully operating for the past 06 years and later company name changed as AKFA ARABIA Co. Ltd.

We have been continuously increasing our resources and improving our existing ones over the years, adapting to new methods and methodologies with lessons learned from the previous experience.

VISION

We are committed to provide quality and reliable services to customers' expectations.

We are passionate about excellence and doing our work right the first time.

We believe that our success in business clearly depends on satisfied customers and long-term business associations. We are strongly committed to provide timely supply, services and reliable aftersales support. The safety and quality is our first and foremost priority.

MISSION

Committed to providing every client with the best project support services and we will be the best service provider for our Clients.

OUR HISTORY

AKFA ARABIA Company Ltd. is operating from Eastern region of Saudi Arabia. Since the year of incorporation, we have been conducting our business operations under our parental local Saudi Establishment and now incorporated to AKFA ARABIA Company Limited.

Considering the increasingly stringent specifications and high requirements set by AKFA's clients, AKFA acquired new systems and know-how to ensure efficient running of the AKFA's operations minding quality, simultaneously with learning to adhere to cost structures that ensure its competitive pricing in a very competitive Saudi market.

HSE POLICY

AKFA has the best HSE policy for providing a safe and healthy working environment for its employees, staff, visitors and neighbors. We have a full policy statement which demonstrates our commitment. This policy is fully compatible and shall apply to all staff members of the company.

The management has always been showing keen interests on the safety policy. The management will thus be forced to provide some luxuries in terms of safety policy. Promote a positive attitude towards accident prevention.

Outlining the training and competence required to prevent occupational hazards. Establish and insists upon safe work practices preventing injury and ill health, and continually improving the effectiveness of system.

Provide appropriate supervision, training and monitor conformance to quality standards. Ensure employees and other persons understand and accept their responsibility to promote a safe and healthy workplace. Ensure that contractors working on our premises have, and follow appropriate safety procedures.

QUALITY POLICY

AKFA ARABIA strictly adheres to "Total Quality Management System" in the performance of our operations. This system ensures the efficient and effective processing of the policies and procedures that guide our operations.

Our commitment to operational excellence ensure that we remain focused on our objective: Complete Client Satisfaction. AKFA has committed to continuously exceed the expectations of our valuable clients.

The quality policy is defined with the objective to achieve customer satisfaction. The policy is communicated to all levels of employees in the organization to ensure their commitment to quality. It is our quality policy to Develop and implement Quality system standards to improve product quality performance and overall effectiveness of the system.

To develop the skills of our employees, the great emphasis placed on structured training Program conducted and to utilize only qualified personnel in order to improve the overall.
